

To Take Vote On Natural Gas Franchise Here Sept. 8

At the last regular meeting of Didsbury Town Council communications were read from Canadian Western Natural Gas Company and, after some discussion, it was decided to call for a vote on the question of a gas franchise for Didsbury. The date set for the vote is Monday, September 8.

Final reading was given to a by-law regarding sale of fireworks. The bylaw lays down dates on which fireworks can be sold in Didsbury, following the pattern of many towns and cities in the province. Dates set from May 15 to 25 and June 22 to July 2.

A new cement sidewalk will be laid from the Royal Bank corner to Elford Motors. Call for tenders will be issued shortly.

Regarding parking of tank trucks and location of drums of gas, a communication was read from the provincial fire commissioner, in which it was stated that tank trucks could be parked closer than 50 feet to any building. Drums of gas must be placed at least 300 feet from any building. Those who are concerned are asked to take notice and are reminded that any violation of the above regulations will be acted upon by council.

An estimate of \$32,450 for extension of the water and sewage system from Miss Willson's residence south to the Burgess mill and east, was given by Hadden, Davis and Brown, engineers. No action was taken on the matter, the feeling being that the estimate was too high.

CREMONA W.I. HOLDS JUNE MEETING

Regular meeting of the Cremona W.I. was held at Mrs. Joe Bargett's home on June 18. Bad roads caused postponement of the May meeting.

Meeting opened by singing O Canada and repeating the creed. Roll call was answered by each one giving a favorite recipe. Eleven members and one visitor, as well as one new member, were present.

Minutes of the previous meeting were read and adopted. On account of short notice of the date of the Didsbury conference we were unable to attend.

Mrs. E. Hayes has kindly offered to make a cowboy shirt to donate to the W.I. to sell, raffie or auction at a later date.

Report of the Olds conference was given by the delegate, Mrs. Glen Johnston.

Motion was made by Mrs. May that the meeting adjourn, after which a lovely lunch was served.

Good Attendance At Mountain View W.I.

The regular meeting of the Mountain View Institute was held at the home of Mrs. Thomas Pratt with eight members and three visitors present.

Mrs. Winnie Bittner, the secretary, was unable to be present, so Mrs. L. Hunter acted as secretary for the meeting and the minutes of the last meeting were read and adopted.

The roll call was answered with a picnic hint and the de's and don'ts of picknicking.

A meeting at Mrs. Bittner's on June 8 to decide on who was to take the different articles to the conference was attended by Mrs. Worrall, Mrs. Gebers and Mrs. Stiles.

The four new Governor-General's books are now out, with Kerry Woods of Red Deer placing second in the contest to win extra blankets to W.I. members or anyone interested and all were spoken for at the meeting and a charge of \$5 was decided on.

Mrs. Thomas Pratt gave a cake demonstration with an angel food recipe.

HORSES KILLED AND PROPERTY DAMAGED

Numerous complaints have been received of damage to property by youths with rifles and in recent weeks at least a dozen horses have been killed by rifle bullets on district farms.

As yet no charges have been laid but investigation will certainly follow any recurrence of shooting of this nature.

MELVIN NOTES

The June meeting of the Melvin W.I. was held at the home of Mrs. Dupont, commencing with a very good attendance. Roll call was a question draw, and some questions raised for a discussion.

Mrs. E. Krebs reported on social services during the past year, and for a short topic Mrs. R. Shantz read a very interesting article on "Your Child's Health." This was a very suitable subject for the day as there were 10 children under three years of age present at the meeting.

Mrs. Dupont, handicraft convener, and Mrs. H. Fischer, convener for home economics, reported on arrangements made at the executive meeting held in Didsbury on June 7 to plan for the W.I. conference held June 17. Last minute details were discussed and arranged.

A most welcome invitation was received from the Zella W.I. to attend their July meeting.

A rug demonstration was suggested for the August meeting and Mrs. Dupont consented to make arrangements for it if possible.

Mrs. McLaue was in charge of the entertainment and the contest was won by Mrs. R. Youngs.

A sing-song, followed by a delicious lunch, ended a very pleasant afternoon.

Mrs. and Mrs. R. Heron of Kintore, Ont., are visiting at the Youngs' home. Mrs. Heron is a sister of Mr. G. Youngs.

Mr. and Mrs. R. McConquodale and daughter of Embarras, Ont., arrived at the Youngs' home on Monday for a visit in the west. They travelled by car through Jasper and Banff and continued to the coast where they visited friends, and expect to take in part of the Calgary Stampede.

Mrs. A. Schneidmiller, 2nd, angel food.

Weather of the past few weeks certainly has helped canvassers in the local Red Cross drive for funds to make their rounds, but donations have picked up some, although over \$1,000 is still needed if Didsbury is to meet its quota of \$2,500. At noon Monday, \$1,350 had been collected.

The need is urgent and the campaign is drawing to a close. Greet your canvasser with a smile, and give till it hurts.

Didsbury Constituency W.I. Have Successful Conference

The 33rd annual conference of the Didsbury Constituency Women's Institute was held in the Knox United Church on Tuesday, June 17 with a registration of 60. Mrs. C. Gibbs, constituency convener was in charge of the program, assisted by the secretary, Mrs. Arthur Walcott. Mrs. A. B. Mundle of Kneehill Valley, district director of No. 3 South, was the guest of honor. Mrs. E. Elert of Lone Pine gave the address of welcome, to which Mrs. Harvey Hoesgood of Rugby replied.

The secretaries of the seven institutes represented Westcott, Melvin, Rugby, Lone Pine, Mountain View, Bancroft and Zella, reported on the year's activities. They had raised their money by bazaars, auction sales, dances and card parties.

Each institute contributed an item of entertainment and these were interspersed throughout the day's program. They were as follows:

Piano solo by Mrs. Bill Broadhurst for Zella; a solo, "The Holy City," by Miss Mildred Luft for Rugby; piano solo by Miss Emilie Dupont for Melvin; a folk song, "Father's Gratitude," by Mrs. G. Ford, and a solo, "Bless This House," by Jean Rennie, both items for Westcott.

The selections sung by Miss Sarah Zook, who gave entertainment for Lone Pine and Mountain View were enjoyed by all. During the tea hour Miss Arlene Haste of Bancroft served the ladies with a solo, "The Hills Are Calling," Mrs. Bill Broadhurst was the pianist for the day and accompanied the soloists.

The handicraft this year was displayed in the basement of the Lutheran Church under the supervision of the handicraft convener, Mrs. Roy McNaughton. Miss Harbick of this district judged the competition, which consisted of a house dress, embroidered tea cloth, man's sweater, socks, baby's jacket and runner, child's made-over garment, cross stitch tray cloth in runner and a hooked rug. She used the Danish group judging system—special, choice, good and qualified, and complimented the ladies on their work, particularly in the sewing class. She also said it had been a great pleasure to judge the exhibits.

The chocolate cake, angel food and tarts, comprising the home economics competition, were displayed in the basement of the United Church and left everyone looking forward to tea time when these delicacies were served.

The handicraft and home economics competitions were totalled together with the Melvin Institute the winners with 41 points. Westcott 37, Rugby and Mountain View 27, Zella 25, Bancroft 23 and Lone Pine 3.

Mrs. McNaughton presented the home economics convener of Melvin, Mrs. E. Dupont, with a silver dish.

Greetings were sent to Mrs. J. Hughes and Mrs. J. Hoesgood Sr., members of long standing, who were absent from the conference for the first time.

A resolution regarding the International Peace Gardens was passed by the convention.

CARD OF THANKS

Mr. Harry Hewitt of Cremona wishes to thank his many friends for the flowers and cards he has received during his stay in the hospital.

Missionary Convention Held in Didsbury

The W.M.S. of the United Missionary Church held its annual convention at Didsbury recently. Mrs. Lydia Snyder, director of the society, in this conference, was in charge of the convention program which were given in the United Missionary Church.

The convention was attended by 12 local presidents and 19 delegates, as well as many interested visitors.

The election of officers or the coming year resulted in the following: director, Mrs. L. Snyder; assistant director, Mrs. C. Heidegard; recording secretary and treasurer, Mrs. I. Stauffer; corresponding secretary, Mrs. H. Burgess; youth director, Mrs. H. Traub.

In giving her annual report, Mrs. Snyder stated that there are now 17 societies in the conference with a total membership of 225. Besides many other helpful projects being sponsored by this group, the amount of \$1,382.00 was raised. This includes donations for support of foreign missionaries, gifts to missionaries, and help for European and Palestinian relief.

During the meeting, Miss Beverly Redfield, missionary under appointment for Nigeria, spoke briefly of her visit to the annual board meeting of the United Missionary Society held recently in Detroit. Mrs. Snyder also reported her attendance of the meeting, to which she was sent as representative of the conference W.M.S.

Guest speaker for the convention was Miss Myrtle Anderson, missionary on furlough from Nigeria, who spent 15 years there. Her messages, one of which was an illustrated lecture, were interesting and inspiring.

A fellowship luncheon was given in the Bible College dining room during the convention for about 75 guests. In charge of the luncheon arrangements were Mrs. Harold Oke, Mrs. W. Reimer and Mrs. Maynard Snyder. During this enjoyable hour, Mrs. Ruth Finlay Young, delegate from Edmonton, expressed appreciation for the lovely entertainment and warm welcome extended to the convention by the Didsbury friends. Mrs. Young, on behalf of the Edmonton W.M.S., extended a cordial invitation to the convention to hold its next annual meeting in the new Edmonton United Missionary Church, of which Rev. C. J. Hallman is now pastor.

Bible College Music Director Takes A Bride

A double-ring ceremony united in marriage Miss Elizabeth Spencer of England, and Mr. G. Lytle Richardson of Didsbury, on Saturday, June 21, at 6:15 pm. The nuptials were solemnized in the First Baptist Church, Edmonton, Rev. C. J. Hallman officiating, assisted by Rev. Bailey. The church was simply decorated with large vases of peonies backed with large palms and ferns, and flanked with two candelabra holding seven tall wax tapers each.

The bride was lovely in a period gown of white Chantilly lace and tulle, styled with high neck line and lily point sleeves. Her floor length veil full over the face, was caught gracefully in a bandeau of orange blossoms. She carried a white ivory Bible mounted with a white orchid with streamers of satin mounted pink roses and stephanotis, the gift of the groom.

Mrs. Marjorie Walker, a lifelong friend of the bride, was matron of honor, and the only attendant. She wore a floor length gown of rayon flecked Lystav with ruffled hem, and picture Tulle head dress. She carried a nosegay of American Beauty roses and baby mums. Her husband, Mr. Walker, gave the bride in marriage.

Mr. Chadwick Warnock of Castor attended the groom, and Mr. Alex Robertson and Mr. Myron Tweed of Didsbury ushered the guests to seats marked with large white peonies. During the ceremony, Mrs. Lydia Snyder sang three selections: "A Wedding Prayer" before the processional; "The Lord's Prayer" after the minister's first prayer, and "O Perfect Love" during the signing of the register. The organist of the First Baptist Church, Mrs. Barber-Smith, accompanied the singing.

The wedding reception was held in the Rainbow room of the King Edward hotel, Edmonton, where 25 guests were received by the bridal party. In the absence of the parents of both bride and groom, Mr. and Mrs. Noah Swalm were chosen by Mr. Richardson to represent his parents, and Mrs. N. LeMont, for the mother of the bride. Mrs. Swalm wore a robin blue dress of crepe and a corsage of pink roses. Mrs. LeMont, in black crepe dress and white accessories, wore a corsage of gardenias surrounded by American Beauty roses, and presided as hostess throughout.

The bride's table was set with linen, centred by a triple-tiered wedding cake, flanked by candelabra with tall tapers. Vases of peonies completed the decorations. A buffet luncheon was served.

During the luncheon Mr. Raymond Young of Edmonton proposed the toast to the bride, and Mr. Richardson paid fitting tribute in his response. Some 15 telegrams were read during this time, some from England, the United States and Canada. After the luncheon, Mr. Richardson escorted his bride to the piano where he sang two songs to her, the first "Because" and the second an old English song of tribute to her who now was his. She also sang for him in return.

For their brief wedding trip the bride donned a lovely ensemble of two-tone Shantung suit with picture hat and accessories in ecru, brown. She wore her corsage of orchids. They left on Monday for the groom's home in Dover, Delaware. They will remain in the east until College opens in the fall. Mr. Richardson will make his previously-arranged tour in Europe for a few brief weeks during the summer. They will then make their home on the campus of Mountain View Bible College for the winter months.

Agricultural SERVICE BOARD NOTES

W.K. Snyder,
Field Supervisor

Steps in Calibrating Sprayers: It is amazing to me that in many cases reasonably good results have been secured with rather slipshod methods of application of 2,4-D. This need not be your case as there is an easy way to ascertain exactly what the speed and output of the outfit is. The exact speed of the tractor is most vital in computing output.

Measure a 200-foot course and time in seconds the time it takes to cover it: 30 seconds equals 3 1/2 m.p.h.; 31 seconds equals 4 m.p.h.; 32 seconds equals 4 1/2 m.p.h.; 33 seconds equals 4 1/2 m.p.h.; 34 seconds equals 5 m.p.h.; 35 seconds equals 5 1/2 m.p.h.; 36 seconds equals 6 m.p.h.

By trial and error find the gear and notch on the throttle which gives the desired speed. The solution in gallons per acre can be found as follows:

(a) Find time in seconds for outfit to travel 200 feet (see above);
(b) Find time in seconds to catch one pint from one nozzle when sprayer is operating at proper pressure; (c) Measure boom in feet;
(d) Count number of nozzles on boom. Substitute the figures obtained above for a, b, c and d in the following formula to find gallons per acre.

24.15 multiplied by (a) multiplied by (b) divided by (c) times (d) equals gallons per acre. Adjust pressure and speed until desired gallonage per acre is obtained. This formula has worked out very satisfactorily for me many times and is accurate to 1/10th of a gallon.

When you know how many gallons per acre your sprayer puts out it is very easy to figure how many acres your tank will spray. Multiply the acres by the number of ounces of acid per acre, convert this figure to pints, quarts or gallons, keeping in mind the acid con-

Bancroft W.I. Holds Grandmothers' Meeting

The Bancroft W.I. grandmothers' meeting was held at the home of Mrs. P. Hauser on June 11 with an attendance of 11 members and 13 visitors. Roll call was "an embarrassing moment," which was answered by everyone present.

Seventy-three dollars was realized from the dance of June 6. A receipt of \$61.00 from the Cancer Society, which was canvassed by three members, was read. Mrs. H. L. Hoskin read a social service report, which covered all work done since June, 1951. Mrs. P. Hauser was delegate and Miss Arlene Haste gave a song at the conference in Didsbury June 17.

Small gifts of candy which were brought by members, were then presented to the 19 grandmothers present.

Don and Joy Hauser then sang "You Talk About Me." Six visiting ladies judged the baking. Mrs. H. Swanson won the chocolate cake contest. Mrs. G. Jackson took the angel food contest and Mrs. J. McCulloch the tart contest.

"Bit of Fun" was provided by Mrs. A. Marsh, when the ladies had to string puffed wheat. Mrs. K. Swanson won the contest and Mrs. Keith the raffle.

The meeting was adjourned with the singing of God Save the Queen, after which lunch was served.

Byrne School Survey As
Regards Olds Area

This week we complete our con-
sideration of the Byrne school sur-
vey report on the Olds School Divi-
sion. For the past few issues we
have printed excerpts from this re-
port, which covers proposed cen-
tralization plans of school services
for the above-mentioned division.
Any questions which may arise in
the minds of anyone interested
should be directed to the secretary
of the division, Mr. S. A. Gilson, or
any of the school trustees.

In this issue we report on the
Olds area:
The future of districts surround-
ing Olds is inevitably related to
and dependent on educational serv-
ices in the town of Olds. Thirteen
districts, viz. Huntcliff, Hammer,
Betchton, Lone Pine, Bennett, Co-
burn, Garnet, Samis, Innis Lake,
Hainstock, Berjale, Waterside,
Westerdale, with a total school pop-
ulation of 232 pupils, are all within
easy transportation distance of
Olds with an excellent network of
gravelled roads. There are no geo-
graphic barriers to centralization.

The two major problems here are
accommodation in Olds and co-
operation with or inclusion of the
Olds school district. A seven-
room school would be required to
serve this group if all students
were conveyed — three to four
rooms if only the senior students
(VII to XII) were included. The
accommodation needs for these dis-
tricts if reorganization were af-
fected would have to be studied in
relation to the building require-
ments of the Olds school district
itself.

The second problem presents dif-
ficulties as well, solutions followed
by other divisions similarly af-
fected are given here:

1. Complete inclusion of the Olds
school district within the division.
2. The establishment of a divi-
sional school within or close to the
town of Olds with co-operation at a
high school level (e.g. Camrose
School Division).

3. Conveyance of divisional pupils
to Olds with that district providing
the space and instruction on a fee
basis.

4. The divisional board assumes
the responsibility for high school
accommodation and instruction. The
Olds district board retaining ad-
ministration of the elementary and
junior high school grades (e.g. Red
Deer School Division).

O.S.A. Notes

Olds School of Agriculture
and Home Economics

A full slate of short courses, con-
ferences and conventions has been
scheduled for the summer months
at the Olds School of Agriculture.
Thirty-five young people met on
Saturday and Sunday, June 14 and
15, to attend the United Church
Young People's Coaching Congress.
Many ideas for church and com-
munity work were exchanged by
the representatives.

District 10 of the Farmers' Union
of Alberta will have their annual
conference at the school on Friday,
June 27. They have planned a
banquet for Friday evening in the
O.S.A. dining room. Another func-
tion of this type is the Women's
Institute district convention on
July 31.

Miss Joyce Lewis, nutrition spe-
cialist for the provincial depart-
ment of agriculture, is in charge of
a course in quantity cookery to be
held on June 30. Dormitory, hotel
and restaurant cooks will meet to
discuss their problems.

Miss Margaret Fraser, provincial
superintendent of girls' home clubs, is in
charge of arrangements for a sew-
ing club leaders' conference at the
school on July 1 and 2. Thirty-
five leaders of provincial girls' sew-
ing clubs will meet to receive in-
struction in sewing and design. On
July 3 and 4, leaders of 160 farm
and home clubs will meet to discuss
problems and to receive direction
for future projects.

The O.S.A. residences will be
filled during the week beginning
July 7. Efficiency winners of the
Alberta Women's Institute Girls'
Clubs will attend a conference to
receive instruction and inspiration
from specialists in the various
phases of club work. This year 20
boys of the Women's Institute
Boys' Clubs will attend two days of
the conference.

Residences will be filled to cap-
acity again for Junior Club Week,
July 14 to 18. Efficiency winners of
the farm and home clubs, sponsored
by Alberta's department of agri-
culture, will attend lectures, work-
shop labs and inspirational talks in
the O.S.A. classrooms and assembly
hall.

The week of July 21 to 24 is set
aside for the annual farm women's
week. A cordial invitation is ex-
tended to all women of central and
southern Alberta to attend this
week of discussion, rest and enter-
tainment.
From July 28 to 30, efficiency
club winners will compete in the
junior club judging competitions.
District agriculturists and district
home economists in the province
will bring in the best team in each
type of club operating in their dis-
tricts. The winning teams will
represent Alberta in the Dominion
Judging Competitions held in Con-

12-MILE STRIP
NOW RAT-PROOFED

Forty farms in Eastern Alberta,
nearly all of them bearing evidence
of rat infestation, have been "rat-
proofed" in the government's eradi-
cation program.
W. A. Lobay, supervisor of crop
protection, said recently that N. L.
Faulin, the "paid piper of St. Boni-
face," hopes they have moved over
from Saskatchewan.

The St. Boniface, Man., pest con-
trol authority, began his rat-proof-
ing work about a week ago. With
a blue poison which he says is
guaranteed to kill rats and nothing
else, he is working to regain for Al-
berta its reputation as the only rat-
free province in the Dominion.
Mr. Lobay said the poison is ef-
fective from six months to two
years, depending on conditions.

CHRISTIAN SCIENCE

That the fruits of the Spirit bring
everlasting joy, dispelling the be-
liefs of sickness and sorrow, will be
set forth in a Lesson-Sermon on
"Science and Health with Key to the
Scriptures," by Mary Baker Eddy,
(p. 451): "If our hopes and affec-
tions are spiritual, they come from
above, not from beneath, and they
bear as of old the fruits of the
Spirit." And this Scriptural selec-
tion from the gospel of St. John:
"Jesus saith unto him, Rise, take
up thy bed, and walk. And im-
mediately the man was made
whole, and took up his bed, and
walked; and on the same day was
the Sabbath." (John 5: 8, 9.)

Fair at Toronto in November.

Visitors are always welcome at

grounds bring many organized

dividuals from near and far.

M.V.B.C. NEWS

Only two high school students remain in the College now. They are David Anderson and Harley Dyck. This week will tell the tale of their standing in their academic studies as they are writing Grade XII exams — and do we know it around here?

Mrs. Lydia Suter and Miss Gladys Eby of the College staff were guests at the Richardson-Spencer wedding in Edmonton on Saturday.

Several friends from Didsbury thoughtfully sent telegrams of best wishes to the bride and groom. Mr. and Mrs. G. Lyle Richardson, which were read at the reception during the luncheon hour. These words of love and friendship brought a ready smile to Lyle's serious face.

A number of friends were on the station platform as the flier passed through town on Monday evening. The reason? The new bride and groom were on the train, and as they sped past waved their friendly adieux to at least a few of their friends here.

The electrician is very busy assisting the maintenance superintendent of the College campus in re-wiring the school buildings. This has been a growing necessity for several years, and is required this year. We trust they will have finished before camp meeting begins.

Perhaps there are those who as yet are not aware of the coming camp meeting which is held each year on the College campus. Already a large number of reservations for rooms have been made, and friends have been asked to bring in some beds so that accommodation may be adequate for the older folk. These beds will be set up in the Chapel, thus making it easy for those whose stops are becoming slower, but who have faithfully attended camp for many years. Beds and bedding for them are solicited for this purpose.

Thursday of this week will be a busy day in the kitchen. The church ladies will be here to can chubarr for camp and to help in the school ready for occupation. However, much of that has been done this year by Mrs. Norman Schafer, and Mr. Charles Matson, who are working here this summer.

Miss Gladys Eby is leaving for Galahad on Thursday morning to hold a Bible Conference in the Galahad United Missionary Church from June 29 to July 4. Those wishing to make arrangements for camp by phone should ask for Mr. Charles Matson, who is taking her place in this capacity.

W.I. CONFERENCE

(Continued From Page 1)

R. Good on "Citizenship." Topics studied were "Children Do Need Discipline," "Donald Cameron," "Mrs. George Black" and films had been shown at Mountain View.

In the health and education report presented by Mrs. Worrall for Mrs. L. Hunter, Institutes had reported on "Germ Warfare," "Heart Disease" and the "Old Age Pension."

Mrs. C. Gibbs, because of indifferent health, asked to be relieved of her duties as constituency convener and Mrs. R. W. Fisher of Bancroft was elected by acclamation.

The courtesy report was given by Mrs. Harvey Hoesgood and she thanked all those responsible for making the conference a success and wished the ladies happy landing on their muggy journey home.

The W.A. ladies of the Knox United Church catered for the dinner.

The afternoon concluded with two Newsweek films being shown in the basement of the Lutheran Church by Mr. E. T. Wiggins. These were both educational and interesting.

The conference adjourned with the serving of tea, with Mrs. Alice Robertson in charge, assisted by the home economics convener from each branch.
